* Deleted items that cannot be used elsewhere in Project.
** We are asking the Contractor to submit a proposal separating spares
requirements for customers #1 and #2.

2. The balance available ($~~12,160~~ _8959_) will probably be sufficient to cover
the costs of your Depot Spares. It is proposed that this amount not be
returned to your Budget Officer but will be held by our Project Comptroller
for use at the time the firm proposal for the depot spares is received.

Distribution:
  Orig & 1 - SPD/OC
    3 - Contract A-101
    4 - Proj. Comptroller
    5 - Proj. Chrono
